

2021 – 2022 REGISTRATION

DEADLINE JULY 31, 2021

Grey Highlands Shooting Stars is a member of the Ontario Women's Hockey Association and the Western Ontario Athletic Association. OWHA is a member of Hockey Canada. OWHA teams comply with Hockey Canada and Province of Ontario requirements.

2020-2021 was an unusual season. Twice weekly practice and inter association play was provided from October 2020 through March 2021 with the exception of the provincially mandated halt from Christmas 2020 to mid-February 2021. Players had 30 on ice sessions. Grey Highlands Shooting Stars provided as much hockey to our players as municipal and provincial constraints permitted.

Hopefully 2021-2022 will return to more normal play. OWHA deadline for 2021-2022 teams is August 31, 2021. Our July 31, 2021 registration deadline accommodates this OWHA deadline. OWHA will not permit player transfers from other OWHA associations before September 2021. OWHA presently does not permit tryouts.

Register for U13, U15, U18 or U22. Younger age teams will be available if a sufficient number of players register. 2009 players will be accommodated within our U15 program if we do not have a U13 team.

We ask: Returning Shooting Stars players to register: <http://MarkdaleGHA.rampregistrations.com>
New to OWHA players to register: <http://MarkdaleGHA.rampregistrations.com>
Transferring OWHA players to email intent: registrar@shootingstarshockey.ca

To volunteer in team roles (coach, assistant coach, trainer, manager) or association executive roles please register (<http://MarkdaleGHA.rampregistrations.com>) or email (registrar@shootingstarshockey.ca).

2019-2020 registration fee was \$550 plus each family participating in the Cash Calendar ticket fundraiser with \$125 worth of tickets to sell. Participation in other fund raising activities was voluntary.

2020-2021 being an unusual season with reduced hockey, fees were reduced to \$300 with no fundraising.

2021-2022 initial fee with registration is \$250. You will see payment instructions when you register online. Additional fees and fundraising for 2021-2022 will be set based on the program that we are able to offer. Additional fees will be communicated once we know the program that we are able to provide. Late fee is \$50. Transferring OWHA players do not pay any fee until registration is permitted.

If season is curtailed or restricted by OWHA, fees will be adjusted appropriately. If there is no 2021-2022 season, fees will be returned in full.

If 2021-2022 play ends up like last season, all players registering will be accommodated within our program.

If 2021-2022 is a more normal season with competitive play, registrations after July 31, 2021 will be subject to availability and tryouts may be necessary. Late registration will be subject to availability. Late registered players may be put on waiting list. If you late register, you will be informed whether player is put on waiting list. If player is put on waiting list, you may choose to retract registration prior to a spot becoming available. If spot does not become available, all fees will be refunded in full. If there is waiting list, failure to make all payments when due will result in spot being made available to another player. Player will join waiting list upon all payments becoming current.

Bottom line: register by July 31, 2021 and pay the initial fee of \$250.

Deadlines may be adjusted at our discretion as circumstances warrant. Direct questions regarding registration to: registrar@shootingstarshockey.ca. For updates, see <https://shootingstarshockey.ca>.

GO STARS!
